

A newly designed interior for this new generation 2 berth model, coupled with automatic transmission, makes it a perfect small vehicle choice for two adults. Internal access between the driver's cab and the rear living area, shower and toilet, refrigerator with freezer, microwave, excellent kitchen facilities and a filtered water system are just some of the features. A modern look and carpeted floors create a warm living environment and the sleeping area can be converted to one large double bed or two singles. Everything you need for your New Zealand experience.

Refer to page 15 for full vehicle specifications.

**AUTOMATIC TRANSMISSION**

### Seat Belt Guide for the United 2 Premier Motorhome

● Seat belt fitted

A Child/Baby Seat can be fitted to the front passenger seat if only one Adult and one Child/Baby are travelling.
